# Transitioning

## PLAYER TRANSITION

Players can transition during Spring season for ages U8, U9 and U10+. Players are eligible by age to seek league teams. Rec/Development program players are encouraged to seek county league teams as soon as they are interested and have a good level of experience and ability.

To get onto a league team, players should contact Registrar@ArundelSoccer.com to get team contacts for existing or new teams. Players should also register online for the county league before February. Any player may register for county league, but some higher division teams may have a selection process. Space on teams may be limited.

U8 players should participate in Club level tryouts held at the end of the Fall season.

## U8 PLAYER EVALUATIONS:

Arundel Soccer will hold player evaluations for U8 age boys and girls on November 11, 12 and 13 (Section 1) and November 25 and 26 (Section 2). Players seeking ASA county teams for Spring 2013, including ASA pre-travel teams, will have the opportunity to be selected for teams. Players should attend at least 2 days.

Times and locations are:

Section 1

Sunday, November 11, 10 to Noon, Arundel High School  
Monday, November 12, 5:30 to 7PM, Soccerdome Harmons  
Tuesday, November 13, 5:30 to 7PM, Soccerdome Harmons

Section 2

Sunday, November 25, 5 to 6PM, API in Gambrills  
Monday, November 26, 6 to 7PM, API in Gambrills

Evaluations cover both county league teams for play in AAYSA, and pre-travel, for those players interested. ASA creates "pre-travel" teams with the intent for select travel play in NCSL, WAGS, CMSSL and BBSL beginning Fall 2013 at age U9. These teams compete in the Anne Arundel County U8 Spring division prior to movement into select leagues. Boys and girls with a love of the game, skill and high potential are encouraged to attend these evaluations and test their skills to make the "transitional" spring rosters.
